CONFRONTING COLLAPSE: THE CRISIS OF ENERGY AND MONEY IN A POST PEAK OIL WORLD

BY MICHAEL C. RUPPERT

\$15.00 + Shipping

224 pages...Trade Paper ISBN: 978-1603582643

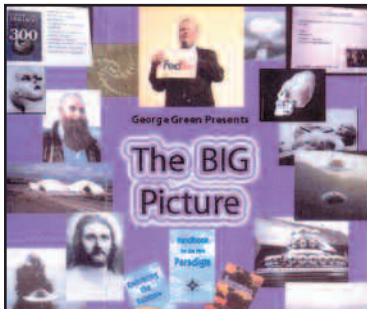

The book that inspired the movie *COLLAPSE*. The world is running short of energy-especially cheap, easy-to-find oil. Shortages, along with resulting price increases, threaten industrialized civilization, the global economy, and our entire way of life. In *Confronting Collapse*, author Michael C. Ruppert, a former LAPD narcotics officer turned investigative journalist, details the intricate connections between money and energy, including the ways in which oil shortages and price spikes triggered the economic crash that began in September 2008. Given the 96 percent correlation between economic growth and greenhouse gas emissions and the unlikelihood of economic growth without a spike in energy use, Ruppert argues that we are not, in fact, on the verge of economic recovery, but on the verge of complete collapse. Ruppert's truth is not merely inconvenient. It is utterly devastating. But there is still hope. Ruppert outlines a 25-point plan of action.

Report from Iron Mountain unveils a hitherto top-secret report of a government commission that was requested to explore the consequences of lasting peace on American society. The shocking results of the study, as revealed in this report, led the government to conceal the existence of the commission — they had found out that, among other things, peace may NEVER be possible; that even if it were, it would probably be undesirable, that "defending the national interest" is not the real purpose of war; that war is necessary; that war deaths should be planned and budgeted. *Report from Iron Mountain* tells the story of how the project was formed, how it operated, and what happened to it. It contains the complete, verbatim text of the commission's hitherto classified report.

The U.S. Supreme Court and the U.S. government claim the power to decree the mass murder of JEWS, or ANY OTHER GROUP OF AMERICANS, to be legal. The purpose of this book is to prove that the United States has abandoned the inalienable right to life described in its Declaration of Independence. The United States is now ruled by U.S. Officials who conspire to commit mass murder under the decree MASS MURDER IS LIBERTY. These U.S. Officials maintain their killings by overthrowing the U.S. CONSTITUTION, and imposing NAZI doctrines on the United States. Thus the life of each and every person in America now depends merely on the whim of officials, as in Stalin's Russia or Hitler's Germany. This book sets out the evidence that conspiracy consists of all the Justices of the Supreme Court since 1973.

In fact, this network, which we may identify as the Round Table groups, have no aversion to cooperating with the Communists. I know it exists because I have studied it for 20 years and was permitted for two years to examine its papers and secret records. The ultimate aim is to establish a system in which the individual's freedom and choice will be controlled within very narrow alternatives by the fact he will be numbered from birth and followed by number through his educational training, required military or public service, his tax contributions, his health and medical requirements, his financial and retirement and death benefits."

Inscribed upon the cross when Jesus was crucified were the Latin words "Jesus Nazarenus Rex Iudeorum." Pontius Pilate was the author of that famous inscription. Latin was Pontius Pilate's mother tongue. Authorities competent to translate and pass upon the correct translation into English agree that it is "Jesus the Nazarene Ruler of the Judean." There is no disagreement among them of that. The word 'JEW' did not occur anywhere in the English Language until the 18th Century. Jesus referred to himself as a Judean. The modern day 'Jews' were historically Khazars or Chazars, a Mongolian Nordic tribe who roamed northern Europe.

ISBN: 0-9640104-6-1

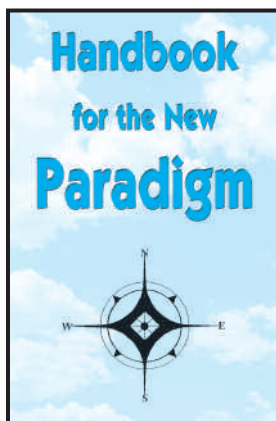

For eons of time in your human history, mankind has experienced and existed in blindness about his divine spiritual heritage, that is, his oneness with the Creation. Since the time of the "Fall" from "grace," many have continued to struggle with what is "their" purpose, and why it is so difficult to find and know THE TRUTH. Many, in their ignorance and confusion, have asked themselves why the Creator allows the seemingly unending ruthless and merciless inhumanity of man to continue; why HE allows suffering of children, wars, disease and pestilence and corruption. Often ones simply decide there is no Creator, which only keeps ones ever "separate" from KNOWING HIS PRESENCE WITHIN.

"The Spiritual Laws and Lessons" is deliverance of truth to YOU. The Creator is offering YOU the instructions for reaching the "lighted" path back home to HIM, AND THUS TO ONENESS. You will learn HOW to recognize the Anti-Spirit, (that which is AGAINST the Creator and therefore AGAINST LIFE) within YOU and why through your gift of free-will YOU allowed the Anti-Spirit within your temple. You will learn about what are the "Deadliest" Sins (errors) committed by you and also about the nature of YOUR personal responsibility for ALL consequences and experiences within this manifested physical "illusion."

NOW within these pages bringing forth the EIGHTEEN Logical Cosmic Laws of Balance of The Creation, written in explicit detail with MANY examples given for YOUR careful consideration and recognition of truth. Why? To let there be NO misunderstanding of HOW and WHY you, of humanity, have lost your inner as well as planetary BALANCE. You have broken EVERY law set forth herein and have, therefore, suffered the consequences of your errors against the Creator and against LIFE. You each now have before you YOUR "road map" back home to spiritual wisdom, knowledge and truth. Will YOU see? Will YOU hear? Each ONE of you, being fragments of THE CREATION must and will make this choice: To wisely learn your lessons in truth, abide by the laws and thus EARN your Spiritual UNITY and Freedom within the Kingdom OR continue in the darkness of deception, ignorance and spiritual poverty which will keep you bound in the Anti-Spirit's "illusion" of separation. THIS cycle is about to END. The new cycle will BEGIN anew in the GLORY and Celebration of cleansing within and without of ALL fragments of ANTI-LIFE. WILL YOU JOIN OUR FATHER/MOTHER CREATOR in the Divine Holy Kingdom of LIFE? The Creator awaits your decision. So be it.

EMBRACING THE RAINBOW VOLUME II

\$6.95 + Shipping

144 pages... Trade Paper ISBN: 1-893157-05-9

Volume II of the *Handbook For The New Paradigm* contains the continuing series of messages guiding its readers to accept the concepts contained within them for the purpose of creating a new life experience for the "humans becoming" on planet Earth. Each message broadens the conceptual understandings of the necessity to release the limitations that have been thrust upon humanity preventing them from understanding who and what they truly are. It contains surprising truths of some of the shocking deceptions intentionally taught that limit and separate mankind

from their opportunities for spiritual evolvement. It defines how it is possible to take back the heritage of self-determination, freely create one's own destiny and heal the planet and humanity as a whole living entity through the suggested dynamic process.

BECOMING VOLUME III

\$6.95 + Shipping

180 pages... Trade Paper ISBN: 1-893157-07-5

The messages contained in this, the third book, are offered for the continued realization of who and what each human being truly is. The consciousness changing information each volume contains brings forth the understanding that humanity on this planet is, in reality, a whole and holy awareness. From the global myriad of belief systems arises a single picture that represents a composite awareness. This totality of thought creates the reality of the human experience, a great deal of effort is now focused with the intent of influencing how the individual and the total global awareness perceive the human experience. The mind discerns what it understands is its surrounding reality but the feelings determine its believability. Confusion masks the ability to choose between what appears to be true and what the feelings believe to be true. Beneath all the rhetoric that is focused on the conscious and subconscious levels within the current deluge of information in all its various forms is the human desire for the freedom to choose what is for the highest and best good of each individual and the planetary whole. Mankind stands at the threshold, the decision point of whether to accept what it is being told is for its highest and best good or to instead shrug off the programmed suggestions and choose for itself a future that is in total contrast. At the heart of the matter is the opportunity to choose cooperation rather than competition, brotherly love and assistance rather than hate and violence. It is time to observe the world situation that has resulted from competition and experiencing the premise of survival of the fittest. It is time to begin.

Lloyd Graham writes that the Bible is not "the word of God" but a rewrite of pagan sources. Its Eden, including Adam and Eve, were taken from the Babylonian account; its Ark and Ararat their equivalents in a score of deluge myths, even the names of Noah's sons are copies. Moses is fashioned after the Syrian Mises, the laws after Hammurabi's code. These are but a few of the myths he discusses. BY ZECHARIA SITCHIN

All powerful, all knowing, the proof of their genius is apparent in the mysterious monoliths at Stonehenge, and in a strange but highly significant structure of concentric stone circles in Israel's Golan Heights — both requiring sophisticated astronomical knowledge. Teaching men to look to the Heavens, they bequeath to us the cosmic code. This is the latest entry of “Sitchin's” entry in carefully researched material tracing the creation and motivation of mankind. This book identifies the turning point in our species' delicate balance between the demands of destiny and vagaries of fate. From deep inside the Sumerian texts that predate even the Bible, Sitchin dares to reveal the nature of prophecy and historical truths that have been long obscured by disbelief and misunderstanding.

Lawrence A. Waddell (1854-1938). As chief medical officer accompanying the Tibetan expedition of 1904, he superintended the official collections of literature and art which were later distributed together with one private collection of his own to libraries in Calcutta, London, Oxford and Cambridge. He published in 1905 "Lhasa and its Mysteries." In 1917 Waddell began to display interest in a new field, that of ancient relations of India to the Mesopotamian world. This led to large volumes of work and a theory of an "Aryan" origin of Sumerian and Egyptian civilization. This book has been reprinted for its importance for clarification of Zecharia Sitchin's work in translation of his books. Sources, pictures, and research makes this one of the more important books of history.

THE GENESIS RACE

OUR EXTRATERRESTRIAL DNA AND THE TRUE ORIGINS OF THE SPECIES

BY WILL HART

\$18.00 + Shipping

264 pages... Trade Paper ISBN: 978-1591430186

For millennia the development of humanity showed a consistent homogenous pattern. Then suddenly, around 5000 B.C., great civilizations sprang up around the globe. All the creation myths of these civilizations tell of gods who came down to Earth and fashioned man in their own image, teaching them the arts of agriculture and civilized life. Now, using the most current research on DNA, Will Hart shows that these gods were actually visitors from other worlds who genetically engineered modern humanity from the beings that then inhabited the planet. He also suggests that the Bible and other creation stories have been interpreted falsely as myth when they should have been read as history. Humanity's current stage of development has finally reached the point where the secret messages of these structures can be decoded to reveal the fate of humanity in the coming Earth changes.

For centuries mankind has been exploring the "nature" of reality. Materialistic scientific world would have us believe that physically measurable phenomena are all that exist. Mystics of Tibet referred to the stuff of thoughts as *tsal*, and believed that every mental action produced waves of thought energy. They believe the entire energy is created and animated by the collective thought energy of all of its inhabitants. The inner worlds consist

of matter of different densities and orders of vibrations and exist as worlds within worlds. There is mentioned that thoughts are forms in mental-matter, radiating vibrations created by the energy of the mind. Certain mystics claim the ability to see shapes and colors of these forms hovering in the air around human beings. This book explores astral travel, remote viewing, lucid dreaming, LSD experience, apparitions, spirits, and ET contacts and connections. The message of this book is "all is not as it seems."

ARE WE ALONE IN THE UNIVERSE?

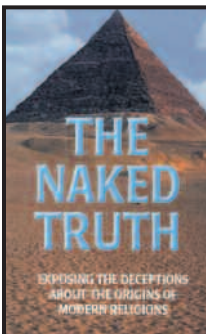

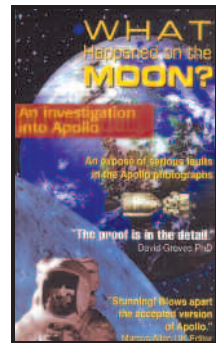

\$19.95 + Shipping 60-Minute DVD

Is modern science merely catching up with ancient knowledge? In a set of 6,000-year-old stone tablets the Sumerians of Mesopotamia vividly describe cataclysmic planetary events which billions of years ago gave our solar system its current configuration, fashioned in our own planet in the process. Sumerian records also mention the existence of an additional planet in our solar system referred to as Nibiru, which is currently unknown to modern science, and is the recorded home of our human ancestors according to these ancient records. Eminent scientists agree that calculations tend to confirm the accuracy of the ancient Sumerian creation story. In the 80s unmanned U.S. space probes photographed pyramids and other strange features on the surface of Mars, suggesting this was once the site of an alien space base. Join Zecharia Sitchin, author of *Genesis Revisited* and the *12th Planet*, as we embark on an exciting journey into uncharted territory; a provocative reassessment of who we are and where we stand in the Universe.
